FLAME PEA

NODDING BLUE LILY

DMC is pleased to announce the addition of 36 New Colours to its Six Strand Embroidery Cotton (Article 117) line.

This expansion makes the DMC Stranded Cotton range the largest in the world, with 464 colours (427 solid and 37 variegated).

The new colours are comprised of ten new colour families, plus eight colour ranges that have been enlarged, giving stitchers an even broader spectrum from which to create their next treasured heirloom.
